Mr. Quin Shea, Director
FOIA/PA Appeals
Department of Justice
Washington, D.C. 20530 FOIA Appeals

Dear Mr. Shea,

On July 29, 1979, I addressed FOIA requests relating to the assassination of President Kennedy to FBI Headquarters and to the Miami and New York Field offices.

The Miami reply was a de facto denial and I appealed it on August 3.

I have heard nothing from Headquarters and have received nothing from New York.

I therefore appeal these additional denials.

Sincerely,

Harold Weisberg
